Welcome to Quest Diagnostics Lab Card Program!

Lab Card is part of your Central States health benefit plan. This is a convenience benefit that allows you to obtain outpatient laboratory testing services at no cost to you*. When you direct your testing under the Quest Diagnostics Lab Card Program to a participating laboratory, and the testing is covered 100% and approved by your health benefit plan—you pay no deductibles, no copays and no coinsurance†. If you do not have a Quest Diagnostics Lab Card Program and its use is your choice.

Using your Lab Card is as easy as 1-2-3

- 1** At your physician's office or a Lab Card collection site, show your Lab Card and verbally request to use the Lab Card Program. Lab Card is optional. If you do not use Quest Diagnostics Lab Card Program, your regular benefits will apply.
- 2** If your physician collects Lab Card specimens in their office, they can continue to do so. After the collection is complete, your physician must clearly mark Lab Card on the paperwork or you will not be eligible for the 100% benefit.
- 3** If your physician does not collect specimens in their office, you may find an approved collection site at www.LabCard.com or by calling 1-800-466-7788. Site information, including locations, Lab Card hours and any special instructions are updated daily, so please visit the website or call 1-800-466-7788 before any visit.

COMMON QUESTIONS ABOUT THE LAB CARD PROGRAM

- Q. What is Lab Card?**
 Lab Card is a voluntary program that allows you to obtain 100% cost coverage for outpatient laboratory testing*. The program is covered and approved by your health benefit plan. Do the questions that include with your specimen, Lab Card must be clearly marked in order to be eligible for the 100% benefit. The specimen is sent to Quest Diagnostics for testing and results are made available to your physician.
- Q. Does Lab Card reduce current health plan benefits?**
 No. It simply provides you the option to receive covered outpatient laboratory testing at no cost to you or your employer's contribution to Lab Card. If you do not use the Lab Card Program, your standard benefits for outpatient laboratory testing will apply.
- Q. What tests are processed under Lab Card?**
 The program covers diagnostic outpatient laboratory testing provided the tests have been ordered by your physician and you have requested to use your Lab Card Program. Outpatient lab work includes:
 * Blood testing (e.g., cholesterol, CBC)
 * Urine testing (e.g., urinalysis)
 * Diagnostic pathology (e.g., pap smears, hepatitis)
 * Cultures (e.g., throat culture)
- Q. What tests are NOT processed under Lab Card?**
 Lab Card does not cover all lab work including:
 * Lab work submitted in an emergency (STAT) basis and/or sensitive, acute situation laboratory testing such as fertility testing, bone marrow analysis and spinal fluid tests.
 * For laboratory work such as mammography, x-ray, imaging, and ultrasound.
 * Lab work performed by another laboratory or service participating in Quest Diagnostics' network.
- Q. What if the physician doesn't collect specimens?**
 Most of the time, the physician or physician's office will collect your specimens and take them to Quest Diagnostics for testing. If the physician is not able to collect the specimens, check the website at www.LabCard.com or call 1-800-466-7788 to see if there is an approved collection site in your area. Please note hours of collection for the Lab Card Program and collection site availability, specifically those tolerance testing and patient drive.
 * Provider collection and handling fees may apply, and are subject to your health benefit plan provisions.

Access your test results online. If you don't have a healthcare provider's order for testing, complete a COVID-19 Non-Symptomatic Testing order form available at SonoraQuest.com/OrderCovid and follow the steps on that same page to schedule a "COVID-19 - (No Symptoms - Confirm Negative Status)" appointment. If you have questions or would like to expedite this request please contact us at 602-685-5051 to request a refund. The COVID-19 testing options available through Sonora Quest offer convenient access to obtain the answers you need, whether you have symptoms of COVID-19 or need testing for travel, work, or peace of mind. This asymptomatic/exposure-free self-ordered option is not covered by insurance or the government; a payment of \$115 will be collected at the time of service. If you do not visit a Sonora Quest Laboratories Patient Service Center for collection of your prepaid My Lab ReQuest™ order within 60 days of payment, the amount will be automatically refunded. Please note that if you have an outstanding balance with us from a separate date of service, your refund will be applied toward that balance, with any remaining refund, if available, being processed. You can also sign up for email or text notifications to get notified as soon as your results are available. Your role in the performance of a lab test is to provide a specimen that will be analyzed in a laboratory. Here's how to take advantage of Sonora Quest's new COVID-19 testing services: Patients with COVID-19 symptoms and/or recent exposure to COVID-19, with or without a healthcare provider's order for testing: If you have an order from your healthcare provider, visit SonoraQuest.com/Appointments to schedule a "COVID-19 - Symptoms/Exposure (Carside)" appointment for a carside COVID-19 testing service in the safety of your own vehicle. There are no out-of-pocket costs and Sonora Quest will bill your insurance if provided or, if uninsured, AHCCCS or the Department of Health and Human Services. You can be assured that Labcorp staff will make the specimen collection process as safe, quick, and comfortable as possible, while safeguarding your dignity and privacy. As COVID-19 cases continue to surge and demand for testing continues to rise, you can order your own test for you or a family member with or without a doctor's lab order. Register on our patient results portal to easily access your results online.
